TO:	Chair, Finance and Administration Committee
SUBJECT:	Procedure Bylaw Modifications
DATE:	July 13, 2018
FROM:	Chief Administrative Officer

#### **BACKGROUND**

The Procedure Bylaw requires revision as the first Council meeting beginning in 2018 must be held on the first Tuesday in November in accordance with Section 124(2)(g) of the *Community Charter* in the year of the election instead of in December, as was previously.

With the above required amendment, there is now the opportunity to look at revisions to the format of the agenda and the limits on delegations at meetings.

The current procedure bylaw does not have a limit on the number of delegations but does limit question period to the items on the agenda. The exception is the Cowichan Valley Regional District.

Please refer to the attachment for a comparison of what our neighbouring local governments have in place with respect to the two items referred to in this memo.

#### **Recommendation**

- 1. It may be prudent to limit delegations to two unless extenuating circumstances warrant allowing additional delegations.
- 2. Council want to consider two public input opportunities the first Public Input Period is to afford an opportunity for the public to provide comment on an agenda item before council; and the second would be to allow the public at the end of the meeting to seek clarification on matters arising from the business of the meeting. Each of the public input opportunity should be limited to 15 minutes with each member of public being limited to 3 minutes.

**Note:** A comment made during the course of my inquiry is that the public input should be limited to items on the agenda. Any matter not on the agenda can always be raised by seeking delegation status.

1|Page

#### **CONCLUSION**

Council direction on matter of the limits on the number of delegations and public input process would then permit those being incorporated in the Procedure Bylaw prior to third reading.
