

RECEIVED APR 22 2024

April 22 / 2024

Dear To Council,

I'm writing this letter in David's hopes that you could put North Shore on your future agenda. I sat you at the time a spending vehicle was going to go out it was not a hit to the three parks & took it (help of it) right off.

Spending is a on going issue on North Shore Road. There is alot more that happens with First Nations Development & new families with young children living on North Shore Road homes. Recently, I watched a spending car go through school bus lights when a child was getting off. If you decide to put North Shore Road

(2)

in the future as there is a lot of pot holes & the road definitely requires repair. Could you consider putting in some speed humps to slow down traffic if you repave North Shore Rd. I know there is no sidewalks but Speed Humps as Duncan did in Drinkwater definitely slows the traffic.

Thanking you in advance in this matter.

Sincerely

Donna Pughley  
Resident on North Shore Rd.
