

Adjacent Property Owners:

In early January 2026 Mosaic Forest Management will be carrying out harvesting activities in BLK 817, Cowichan Lake District. We anticipate the harvesting activities to continue in to March 2026.

The map here shows the planned harvest area in orange cross hatch.

At Mosaic safety is our highest priority. Our employees and contractors abide by strict safety standards, and we expect the public to respect and abide by our safety focus when entering our active worksites. For your safety, and the safety of our employees and contractors, please adhere to posted advisory signs, which will indicate where harvesting activities are underway.

If you have any questions or concerns, please contact Mosaic Forest Management at 250-716-3700 or info@mosaicforests.com.

Thank you for your co-operation,

Mosaic Forest Management
