Subject: Art Exhibition Proposal: Ohtaki × Canada Exchange

Dear Lake Cowichan Community Office,

My name is Nonoka Kawasaki, a Japanese artist who studied in Vancouver in the past.

This October, I will hold an international exchange art exhibition in Ohtaki, Date City (Hokkaido, Japan), which is Lake Cowichan's sister town.

As part of this connection, I am planning to visit Lake Cowichan from December 20, 2025 to January 5, 2026. I would love to explore the possibility of holding an exhibition with the same artworks during my stay, to further strengthen the cultural exchange between our towns.

Please find the exhibition flyer attached for your reference.

If there is a suitable venue or opportunity, I would be very grateful if you could connect me with the right department or person in charge.

Thank you very much for your time and consideration.

I look forward to hearing from you.

Best regards,

Nonoka Kawasaki
