

Dear Mayor and Council,

The Cowichan Lake and River Stewardship Society is excited to be partnering with the Town of Lake Cowichan and the Cowichan Lake Chamber of Commerce to celebrate World Clean-up Day by hosting a fun, family-oriented *“Town of Lake Cowichan Clean-up”* on Sunday, September 14 between 11:00 a.m. and 3:00 p.m.

The day will kick off at 11:00 a.m. with six litter pick-up stations strategically located throughout the Town where volunteers will distribute supplies and information for Lake Cowichan residents and volunteers to pick-up litter and debris from our parks, streets and public places, so litter does not enter our beautiful Cowichan Lake and River.

After the litter is collected, Saywell Park will be the location for fun festivities, celebrating our newly cleaned-up Town, with races and games for the kids (and maybe even some for the adults), food and draw prizes, starting at 1:00 and ending at 3:00 p.m.

The Cowichan Lake and River Stewardship Society, as lead co-chair of the Event, requests the Town give consideration to making a Grant in Aid to support to this volunteer event to make our Town an even more beautiful place to live, work and play.

If you require any further information, I would be pleased to discuss this with you, at your convenience. You can reach me by email or by text or phone at [REDACTED]  
[REDACTED] I look forward to hearing from you.

Respectfully,
