**Re: 2023 FireSmart Community Funding and Supports – Town of Lake Cowichan
Community Resiliency Project 2023**

Dear Mayor McGonigle and Council,

Thank you for providing the final report, revised March 12, 2024, for the above noted project. We have reviewed your submission and all reporting requirements have been met.

The final report notes a total eligible expenditure of \$194,387.20. Based on this, a payment in the amount of \$94,590.20 will follow by electronic fund transfer. This represents final payment of the grant and is based on 100% of the total reported expenditure minus the initial payment of \$99,797.00 provided in June, 2023.

I would like to congratulate the Town of Lake Cowichan for undertaking this project and responding to the opportunity to build wildfire resiliency in your community.

If you have any questions, or if we can provide any assistance, please contact me at 250-387-4470 or cri@ubcm.ca.

Sincerely,

Rebecca Bishop, Program Officer
