38 King George Street N.
PO Box 860
Lake Cowichan, BC,
V0R 2G0

Dear Council,

Re: Request for building permit fees waived

The Cowichan Lake Community Forest Co-operative, (CLCFC), have donated \$100,000 to Cowichan Lake Sports Arena for arena improvements in two dressing rooms that the Cowichan Lake Kraken use. Included in that donation, funds are allocated to new flooring, a nutrition centre, player cubbies and updating the shower area. Cowichan Lake Recreation, (CLR) will contribute funding to remove a wall to create one larger room out of two dressing rooms, as well as upgrade the HVAC system.

As funds are limited for this project, Cowichan Lake Recreation is asking council on behalf of the CLCFC to consider waiving the building permit fees. CLCFC funds that would have been spent on building permit fees can then be allocated to additional initiatives.

Thank you for the consideration,

Denise Williams

Denise Williams

Manager, Cowichan Lake Recreation
