Dear Mr. Rod Peters:

I hope all is well with you. Thank you very much for your response.

The COVID-19 situation has improved considerably over the past month, but we still need to be very careful because the Coronavirus exists everywhere.

We also think this is not a good year for international travel, so, sadly, we have decided not to send our delegation to Canada this year.

We are anticipating your visit to our community next year, and we would like you to know that we also would like to visit your beautiful community next year if the situation improves.

Hope everything goes back to normal as early as possible

Sincerely,

伊達市長 菊谷 秀

Hideyoshi Kikuya
Mayor of Date City
