Dear Joseph A. Fernandez:

**Re: Investing in Canada Infrastructure Program (ICIP) – COVID-19 Resilience  
Infrastructure Stream  
Project # IV0207 - Upgrade, Retrofit and Modification of existing Municipal Hall**

Thank you for your application for funding under the ICIP – COVID-19 Resilience Infrastructure Stream (ICIP-CVRIS).

We would like to advise that, after careful consideration, the above-noted project was not selected for funding under the ICIP–CVRIS.

The program received significantly more applications than could be funded. This decision does not reflect on the importance of this project for your community, but rather the degree by which the program has been oversubscribed. All applications were equitably reviewed and given consideration for funding. If you have any questions, please contact Justin Langton, ICIP-CVRIS Lead, by email at: [Justin.Langton@gov.bc.ca](mailto:Justin.Langton@gov.bc.ca).

Additional program information can be found at the Investing in Canada Infrastructure Program website: [www.gov.bc.ca/Investing-in-Canada-Infrastructure-Program](http://www.gov.bc.ca/Investing-in-Canada-Infrastructure-Program). Should future funding become available, staff are pleased to provide advice on preparing an application.
