Dear Joseph A. Fernandez:

Re: Investing in Canada Infrastructure Program (ICIP) – Environmental Quality (EQ) Program
Project # IG0252 - Completion of Sewage Treatment Plant Upgrades

Thank you for your application for funding under the ICIP – Environmental Quality Program (ICIP–EQ).

We would like to advise that, after careful consideration, the above-noted project was not selected for funding under the ICIP–EQ.

The program received significantly more applications than could be funded. This decision does not reflect on the importance of this project for your community, but rather the degree by which the program has been oversubscribed. All applications were equitably reviewed and given consideration for funding. If you have any questions, please contact Jyoti Upadhyaya, ICIP–EQ Lead, by email at: Jyoti.Upadhyaya@gov.bc.ca.

Additional program information can be found at the Investing in Canada Infrastructure Program website: www.gov.bc.ca/Investing-in-Canada-Infrastructure-Program. Should future funding become available, staff are pleased to provide advice on preparing an application.
