RE: 2023 CEPF: Volunteer and Composite Fire Departments Equipment & Training – Enhance Firefighting Capability: Pumps

Dear Mayor McGonigle and Council,

Thank you for providing a final report and financial summary for the above noted project. We have reviewed your submission and all reporting requirements have been met.

The final report notes a total eligible expenditure of \$29,142.00. Based on this, a payment in the amount of \$14,398.00 will follow shortly by electronic funds transfer. This amount represents full payment of the grant and is based on 100% of the total reported expenditure, less the initial payment of \$14,744.00 in December of 2023.

I would like to congratulate the Town of Lake Cowichan for undertaking this project and responding to the opportunity to develop fire-fighting capacity and to increase the resiliency of BC communities.

Funding permitting the next funding intake will have a deadline of October 18, 2024.

If you have any questions, please contact the Community Emergency Preparedness Fund at 250-387-4470 or cepf@ubcm.ca.

Sincerely,

Rebecca Bishop, Program Officer
