**Subject:** COVID grant letter of support

As you may recall, we sent a letter of support for a Regional application for the UBCM Strengthening Community Services Grant to be applied for by the CVRD. We were informed this evening that due to capacity, and flood issues, CVRD would be unable to accommodate the administration of the grant. North Cowichan will be discussing their capacity to be the lead on the Regional grant, perhaps with help from Duncan. The deadline has been extended to April 30 th for application. Our letter would need to be amended to state, we support the applying municipality in their application for the grant if you all agree.

Thanks  
Tim
