Subject: Royal Canadian Branch 210 Lake Cowichan Remembrance Day Service 2020

In this year of Covid our Branch would like to acknowledge The Act of Remembrance on the eleventh of November.

Our intent is to hold an abbreviated service with as few people attending as possible and within current guidelines of Public Health Regulations. We will publish the event in local newspapers and on social media prior to the eleventh of November and strongly encourage the public not to attend. No official wreath laying ceremony will take place, instead wreaths be placed prior to the service or individuals may lay their own wreaths after the service in a safe manner.

Should you require further information or have any input regarding this event please contact me at my personal email address [livilum@shaw.ca](mailto:livilum@shaw.ca) or 250-732-2010.

Sincerely,

Steve Lumb  
President  
Royal Canadian Legion Branch 210
