

MILDRED CHILD BUILDING SIGN

Sign can be done on aluminum or PVC
these would be much cheaper
option attached with black background
including setup
aluminum \$86.00 + tax
pvc(10mil thick) edges painted \$95.00 + tax

bronze plaque with image ranges from \$2500-\$3300

depending how you are installing the sign will
determine the thickness of pvc

thanks
Shelley

The Mildred Child Annex was built in 1949 to house the B.C. Telephone office which serviced 280 telephones at that time. Prior to 1947 the telephone exchange was privately owned by Mrs. All who then ran it for B.C. Telephone until 1949. By 1956 there were 744 telephones with 12 people on staff.

In May 1962 operator Sylvia McMahon handled the last call that went through before it was changed to an automatic dial system.

We honour all those ladies who worked for the telephone company and kept our community connected during those years.

From 1962 to 1969 the building became the office of School District #69 and in May 1969 it became the home of our library. Mildred Child was the Librarian at that time and she later became Mayor of the Village of Lake Cowichan. The library moved in 1986 and the Town purchased the building and renamed it the Mildred Child Annex. It was renovated in 1989 and the Town used it for Council Chambers, staff quarters and storage until 2024.

Many thanks to the Kootz Station Museum staff for the information and periodicals.
