

TEMPORARY NEW LOCATION

As of Tuesday, March 24th the Cowichan Maternity Clinic will have a temporary new home. Following Public Health's recommendations, reducing social interaction is critical at this time. Moving our clinic location will help reduce the number of outpatient visits in the hospital. Cowichan District Hospital continues to be a safe place to deliver your baby.

For all in-person clinic visits, our new address is: 271 Ingram St, Duncan in the Chiropractor office.

Our phone and fax lines remain the same.
