

Creating our Future Official Community Plan Update

The Town of Lake Cowichan is seeking individuals who are interested in joining a working group to support the update to the Official Community Plan.

Working groups will be formed around three topics:

A. *Built Environment*

Downtown neighbourhoods * highway commercial & tourism * industrial development * transportation * relevant development permit area guidelines

B. *Natural Environment*

Natural environment * climate change * relevant development permit area guidelines * waterfront * greenways * brownfields

C. *Social Environment*

Housing * recreation, parks and institutions * inclusive and age-friendly policy
–all ages including seniors and children * urban agriculture

Working group ***responsibilities*** are:

- *Review and comment on existing* Official Community Plan objectives and policies and land use maps
- *Draft new and revised* Official Community Plan objectives and policies and land use maps

Time commitment

- Minimum 6 meetings: each of 2 hours duration; additional as needed;
- Between January 2018 and March 2019.
