

Memo

To: Chief Administrative Officer

Subject: Parks and Recreation Report for September 2020

Date: October 15, 2020

From: Superintendent, Public Works, and Engineering Services

I can report on the following:

PARKS

- The traffic Islands at the entrance of town have cleaned up the large grass plants have been cut down or removed from the Island to improve visibility and allow other plants to grow.
- Lots of dead or damaged trees and plants have been removed and clean up from park or town buildings
- All Parks have been maintained and are now being winterized.
- Centennial Ball park is having a final fall fertilizer treatment this week and will be winterized
