

Memo

TO: Chief Administrative Officer

SUBJECT: Public Works Building

DATE: June 24, 2025

FROM: Superintendent, Public Works and Engineering Services

We have received quotes for the public works building.

I sent requests to 5 local and capable contractors, we received 4 quotes and one declined, I did not hear back from him.

We received quotes from the following:

VCC developments:

Plante Homes:

Forrest & Friday Construction:

Steve Johnson Construction:

Everyone was given the same spec, drawing and engineering requirements.

Forrest and Friday is the low bidder at \$352,804 plus GST.

I recommend we reward the job to Forest and Friday.

I would like to start the project with 2 to 3 weeks. We would like to get the project locked up while we have good weather
