work in Progress:

The following is the work that has been completed or is in progress:

- As winter is here, here is a gentle reminder to all residents that It is the responsibility of the property owners to clear snow from the sidewalk(s) adjacent to their property. Avoid parking your vehicles in the road right of way in the event of a snowfall to allow for proper road clearing.
- The public works crew continues to do regular maintenance around Town.
- Public works is planning capital projects for 2022.

We are currently looking at the following projects:

- Sanitary wastewater lagoon upgrades to meet ministry regulations, we are in the process of getting updates costs to complete phase two of the lagoon upgrades;
- Water main upgrades;
- Sanitary main upgrades; and
- Road paving projects
