## PARKS

The following may be reported:

- All Parks have been cleaned up and washrooms are now winterized.
- Christmas Lights light installation has been completed.
- We are working on a maintenance plan for next year.
- For ongoing parks work, the following is being considered at the Stone Avenue Park – re-do of the fencing and the hockey or basketball area. There is consideration being given to the creation of a dog park at the westerly end (closer to Stone Ave.). The two portions of the park will be completely fenced and segregated.
