

Memo

TO: Chief Administrative Officer

SUBJECT: Parks and Recreation Report

DATE: December 9, 2022

FROM: Superintendent, Public Works and Engineering Services

PARKS

We do not have much to report on Parks:

- The Duck Pond Park was a great success, except the grass never germinated due to the weather conditions.
- All other Parks have been winterized for the season.
- We are planning Capital Projects for 2023.
