

# Memo

**TO:** Chair, Parks, Recreation and Culture Committee

**SUBJECT:** River's Edge Memorial Garden Upgrades in 2020

**DATE:** July 17, 2020

**FROM:** Chief Administrative Officer

---

---

## **BACKGROUND**

The River's Edge Memorial Garden was created in 2018 with the promise of additional improvements to be made later. We have budgeted for those upgrades this year.

Please review improvement items as attached.

## **STAFF RECOMMENDATION**

The recommendation from staff is to accept the project improvements as outlined together with the signage to be attached to a 96" x 8" x 60", polished face, sawn back, rustic sides on a grey granite. The price for the boulder is \$11,950.00 + taxes.

**Landscaping and Fencing Estimate**

**1. Site Preparation:**

Removal and disposal of invasive species along river edge bordering proposed garden area. Grade and layout proposed garden beds, patio area around columbariums and walkway. Prepare area for pathway screenings (approx. 1800sq.ft.). Supply and install edging to patio and pathway areas. Supply and install garden soil (min. depth 6") to proposed garden bed areas. Supply and install pathway screenings (min. depth 3") on commercial landscape fabric, to walkway and patio area around columbariums.

Costs include all equipment, materials, deliveries, labor and taxes.

TOTAL COST: \$16 000.00

**2. Supply and install all trees as per landscape plan:**

Supply and install trees as per landscape plan. Trees will be staked.

Cost includes all materials, equipment, deliveries, labor and taxes.

TOTAL COST: \$3500.00

**3. Supply and Install half inch emitter drip line to all new plantings:**

Supply and install 1/2" emitter drip line to new garden areas. Note: Town of Lake Cowichan to provide hook-up to water source.

Cost includes all equipment, materials, deliveries, labor and taxes.

TOTAL COST: \$2 000.00

**4. Supply and Install Reliance Foundry Bollard R-7576 with chainlink:**

Supply and install Reliance Foundry Bollards (38- standard bollards, 2- bike bollards). Installation will be fixed - anchor casting in new concrete, approx. 8' on center with chainlink provided between bollards, as per manufactors specifications.

Cost includes all equipment, materials, deliveries, labor and taxes.

TOTAL COST: \$30 000.00

**Total cost of Project: \$51 500.00**
