

**TOWN OF LAKE
COWICHAN**
Seniors' Care Facility

The Town of Lake Cowichan is seeking interested members of the public to serve on a committee that is to advise council on ways and means of seeing a care facility for our aging residents established here in Lake Cowichan. This will allow residents to continue living in the Cowichan Lake area with the assurance of supportive care, comfort and security which they so deserve.

Responsibilities of the Commission

Members of the Committee will advise Council on all matters respecting the feasibility of establishing a senior care facility for the Cowichan Lake and how that could be accomplished.

Membership will consist of members of the public and council and is restricted to residents of the Town of Lake Cowichan and Areas "F" and "I". The membership and terms of the committee are to be determined by Council. Council looks forward to renewed interest in a project that potentially benefits the area residents.

A brief signed letter outlining your interest in serving on this committee should be directed to reach the Town by 3:00 p.m., August 10th, 2017 and submitted to the undersigned:
