RECEIVED JUN 18 2021

Dear Property Owner,

RE: Cowichan Lake Weir Replacement Project – Update

Join us as for a live online presentation as we present the final weir design and discuss updates from the preliminary design and options for the future.

We will also give an overview of the Shoreline Assessment project that is underway. This will include presenting the project steps and an initial introduction to two key pieces of the assessment: the Property View Tool and the Lake Level Modelling.

Details on how to join are included below and a link to the meeting will be posted on the www.cowichanlakeweir.ca website.

Let us know if you have questions by submitting them on www.cowichanlakeweir.ca, or during the live presentation.

July 8, 2021

Presentation: 6 to 7 PM

Q&A: 7 to 8 PM

Online public link: Visit cowichanlakeweir.ca for a link to the live presentation

OR to access by phone:

Call-in number: 1-844-992-4726

Call-in access code: 187 684 4800

The recorded presentation and weir final design will be posted on the website shortly after the live presentations.

Regards,

Leroy Van Wieren, Project Manager
