

Dear Mayor and Council;

My name is Tristen Peterson and I am a grade 11 student at Lake Cowichan School. Over the past couple of months myself and several other students along with our teacher Mrs. Erika Blume, have been meeting for the purpose of forming a Youth Council.

We have now met five times and have come to the conclusion that we would not only like to have influence within the school population, but would also like to associate our group to the Lake Cowichan Town Council, perhaps as a Youth Council. Our thoughts would be to mirror the structure of the Town Council with a Youth Mayor and Four Councillors. Our goal, in following through on the latter, would be for us to discuss and offer a Youth opinion on issues the Town Council May be addressing at their Council meetings.

I would like to suggest that our group and Mrs. Blume arrange a virtual meeting in the near future to discuss our proposal. Our goal would be to gain the support of the Town Council for our initiative and how to move forward.

We look forward to hearing back on a date and time that would be best to meet whether it be as a delegation or as a special meeting specific to this topic.

Respectfully;

Tristen Peterson

Erika Blume
