I was asked to talk to the resident of 95 North Shore Rd about a RV parked in front of that address that someone has been living in for the last 2 weeks. When I knocked on the door Ellie the resident of the property answered the door of the RV. I explained to her why I was there and she started to say she was living in the so she thought someone was trying to steal it and was protesting so it would just be taken. I explained that it had to be gone today or a fine would be issued beyond hearing that she broke down and started to cry and talk unrecognizable so I left. I went back at 2:30 and the RV was still there and a ~~the~~ fine will be issued.
