The Covid-19 Restart grant funding for local governments were provided to ensure local governments can continue to deliver the services people depend on in their communities. Eligible expenditures include:

- Addressing revenue shortfalls;
- Facility reopening and response costs;
- Emergency planning and response costs;
- Bylaw enforcement and protective services like fire protection and police;
- Computer and other electronic technology costs
- Services for vulnerable persons (e.g. persons living with disabilities, mental illness or addictions, persons experiencing homelessness or other vulnerabilities) and;
- Other related costs.

To date the Town has spent 78% of the funds received. It is anticipated that the remaining funds will be spent in 2023 within operational costs and computer and electronic technology costs in the newly retrofitted municipal hall.
