To the Town of Lake Cowichan,

The Lake Cowichan School Senior Girls' Volleyball team has made it to provincials! We are one of 3 island teams participating in a 16 team tournament with schools from around the province. We have been ranked in the top 16 of 73 provincial teams so this is a huge accomplishment for our team. The tournament is being held in Nanaimo on November 28-30, 2024 and 9 of our Grade 11/12 girls will be participating. They are very proud to represent their school and community at such a prestigious event.

We are hoping to access some of the money from the town's Grant In Aid to help cover the \$600 entry fee. We are aware that this grant may not have that much available so any money that the town is able to give to us would be greatly appreciated.

Please feel free to contact Noni Battye (teacher/manager) at [nbattye@sd79.bc.ca](mailto:nbattye@sd79.bc.ca) or 250-749-6634 if you have any questions.

Thank you for your consideration.

Sincerely,

Lake Cowichan Sr Girls Volleyball Team  
Riley, Melissa, Dixie, Callie, Jordyn, Courtney, Ella, Taylor, and Abby

Mrs Battye (manager)
