Subject: Trip in 2022

Hello

We appreciate for your cooperation advertising for our IEP.
I hope we can find someone after Mr.Damon leaves here at the end of July.
I'm kind of anxious because nobody applied yet.

We would like to talk about this year's trip to Canada.
This year's delegation constitutes 12 students and 6 adults and we are going to recruit applicants next month.
Our schedule will be arriving at Lake Cowichan on September 30th and will leave the 3rd of October.

There is a few concerns that related to Covid-19. While we are in Lake Cowichan, should we stay at hotel or can we homestay as usual?

It has been unclear matter especially going to abroad, but if the situation gets better, we would like to make this project happen.

Please share your thinking about this project.

I'm looking forward hearing from you soon.

Ayako Shishido
