PARKS

- Stone park Fencing work has been completed and now a waiting for the hockey box to be constructed.
- We are continually working on a parks maintenance plan for the year.
- Our gardeners are hard at work getting all our parks in order.
- Kinsmen have been working on some grant applications for a major up grade at the Duckpond. This would include a new playground for the kids, an exercise circuit for adults and possibly washroom renovations. The Town would be participating in some of the site preparation costs.
