## PARKS

- Stone Park, still waiting for the hockey box to be constructed.
- Parks crew did a great job keeping the parks looking good through summer and the heat wave. As we are in stage 3 of water restrictions this becomes challenging.
- We are continually working on a parks maintenance plan for the year.
- Our gardeners are renovating some of the gardens, moving plates around etc.
- It is great to see Centennial Park being used again for ball and other events.
- At Saywell park, the public works crew is continually maintaining the park and doing repairs around the shelter and washrooms.
- We have begun some work at Kasapi park and we are hoping to get 50 % finished this year
