PARKS

- Stone Park, we now waiting for the hockey box to be constructed.
- The gardening crew has been trimming some trees around town.
- We are continually working on a park maintenance plan for the year.
- Our gardeners are hard at work getting all our parks in order.
- Kinsmen still working on a great project at the Duck Pond, this would include a new playground for the kids, an exercise circuit for adults and possibly washroom renovations.
- We will be opening up the Gate at Centennial field ballpark for day use. Just reminder to everyone this is not a dog park, the parks crew has had to pick up after people have had their pets there on the ball field.
